Upcoming Safety Training

February

GHS Training
To sign-up, contact HESS x8583
Various locations
Every Tuesday
9-10:30 a.m. & 1-2:30 p.m.

Confined Space Training
To sign-up, contact Reva x8562
Mesa Lab (Times TBD)
February 18 & 19

Radiation Safety Training
To sign-up, contact Reva x8562
RAF Conference Rm 9 to 10 a.m.
February 25

March

GHS Training
To sign-up, contact HESS x8583
Various locations
Every Tuesday
9-10:30 a.m. & 1-2:30 p.m.

April

GHS Training
To sign-up, contact HESS x8583
Various locations
Every Tuesday
9-10:30 a.m. & 1-2:30 p.m.

Fire Extinguisher Training
To sign-up, visit the EOD website
ML Chapman 10 a.m. to 12 p.m.
April 13

CPR & First Aid Training
To sign-up, visit the EOD website
ML Chapman 1 to 4 p.m.
April 13

Back Safety
To sign-up, visit the EOD website
FL2 1002 10 a.m. to 12 p.m.
April 21

2015 Building Inspection Recycling Data

Thank you to all who participated in last year’s building inspection “spring cleaning”. It was a huge success that led to great building inspection results. We now have the final data on the amount of material collected during the clean-up effort. Between May and August of last year:

- **9,409 lbs of electronics were recycled.**
- **Close to 200 banker boxes worth of shredding were collected.**
- **3,100 lbs of books were recycled.**

Due to last year’s success and the positive feedback we’ve received, we will be providing these clean-out services again this year. As a reminder, these services will be available to staff for 3 weeks prior to each building inspection. This collaborative effort is a unique opportunity to easily and conveniently clear out what you no longer need.

2016 Building Inspection Dates:

- **Mesa Lab**—April 14 from 10 a.m. to 12 p.m.
- **RAF**—May 12 from 10:30 a.m. to 12 p.m.
- **Foothills Lab Buildings 1, 2, 3**—June 9 from 10 a.m. to 12 p.m.
- **Foothills Lab Buildings 4, 0, Anthes**—July 14 from 10 a.m. to 12 p.m.
- **Center Green Buildings 1, 2, 3**—August 11 from 10 a.m. to 12 p.m.

*Lab Inspections will also begin this spring. Those dates and times are still being determined.*

**2016 Health & Benefits Fair**

UCAR’s Health & Benefits Fair will be held at the Center Green Auditorium on Tuesday, March 22 from 9 a.m. to 1 p.m. The fair is free of charge and open to all UCAR employees, retirees, their spouses/partners and dependent (adult) children 18-26 years of age. Prior to the Health & Benefits Fair, blood-work sessions for blood-chemistry screenings are offered at each of the UCAR’s main facilities.

**Upcoming Pre-Health Fair Blood Draw Sessions:**
- **Thursday, Feb. 4:** ML Damon Rm from 7:30-11:30 a.m.
- **Wednesday, Feb. 10:** CG1 Rm 2126 from 7:30-11:30 a.m.
- **Wednesday, Feb. 17:** NWSC Wyoming from 8-9:30 a.m.
- **Thursday, Feb. 18:** RAF Conf Rm from 8-10:30 a.m.

To sign up for a blood draw session, please visit the UCAR Wellness Advisory Committee’s registration page.

**Upcoming Hazard Communication Training**

The HESS group is in the process of scheduling Hazard Communication (GHS)/Chemical Safety training with UCAR staff. Since the OSHA regulations and UCAR policies have recently changed, we are required to provide training for:

- Anyone working directly with chemicals
- Anyone working around chemicals (labs or aircraft where chemicals are used or stored)
- Anyone who purchases chemicals
- Anyone who arranges for visitors to bring chemicals to UCAR facilities

It is critical that we get any staff who meets the above criteria into a training session soon. We will begin holding morning and afternoon training sessions every Tuesday starting Tuesday, February 9 until Tuesday, May 3. The training sessions will last about an hour and a half. Staff only need to attend once.

Please let us know of anyone in your group who needs training and we will be in touch with date and time options.
