Is your project in compliance with export controls?

Does the project restrict publication or presentation of research results?

YES

Further review of this project for compliance with export controls is necessary.

Please contact your ECC or export@ucar.edu

Does the project limit or prohibit foreign nationals from performing work or accessing research results?

YES

Does the project prohibit results or deliverables from being disclosed or delivered to any country or persons?

YES

Further review of the project for compliance with export controls is necessary.

NO

Will any information used in the project be obtained from a third party and be subject to nondisclosure obligations?

YES

Is any equipment or encryption software required to be delivered as part of the project?

YES

Is equipment or software listed on an export control list?

NO

Further review of the project for compliance with export controls is not necessary at this time. Changes in the project will require a new review.
